

The Future of Juicing...

Zitrox®

Powered by
Zümex®

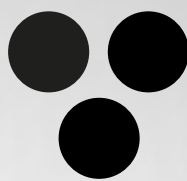

Never say impossible
The only machine that cleans and sanitizes itself

Never again will you say: “I spend a lot of time cleaning it every day”. Zitrix doesn’t need anyone to take it apart and clean it. Something that seemed crazy is now ready for you.

Zumex Zitrix

The First Changes It All

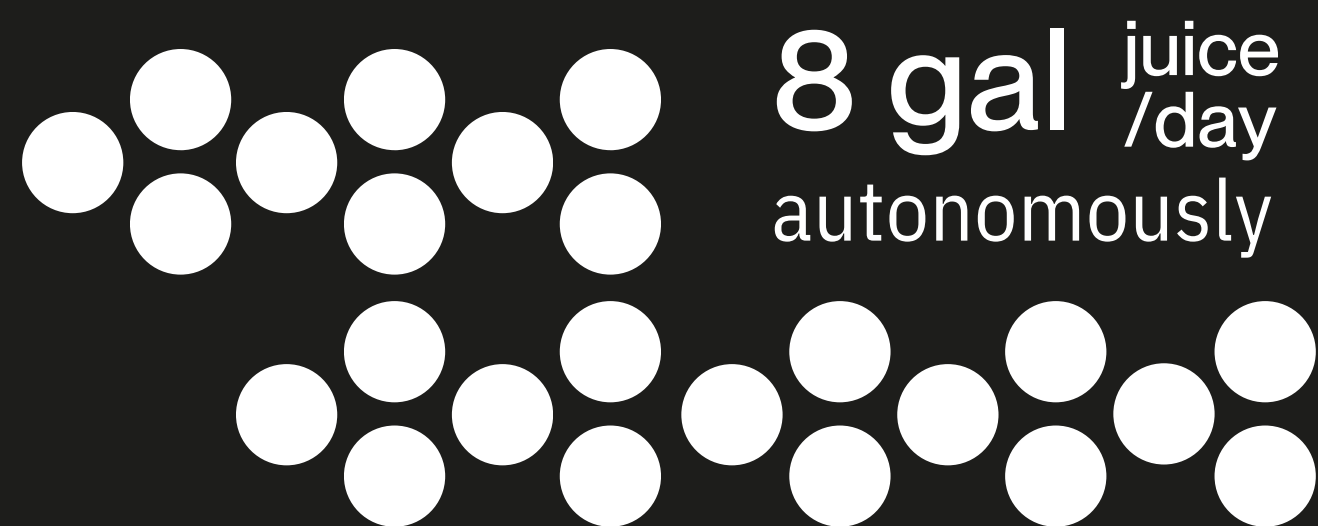

What if the impossible is possible?
What if thinking the unthinkable is the only way to start. Achieving the unimaginable, it was only a matter of time.

Works alone

Thanks to its load capacity of 165 lbs. for oranges, automatic elevator and the possibility to store 120 lbs. of waste, you will forget it even exists.

A top performance for the most demanding retailers

Its Top Performance juicer unit achieves the highest performance in its category. The maximum number of ounces per lbs. of fruit. Not to mention its speed, 40 fruits per minute. That’s amazing!

Every detail matters

- Exact measurement of juice squeezed.
- Merchandise control system.

Truly on another level

If you want more, we have more. Zitrix features exclusive Smart Juicing technology. You can find out exactly how many ounces the Zitrix has juiced or when the last cleaning was performed.

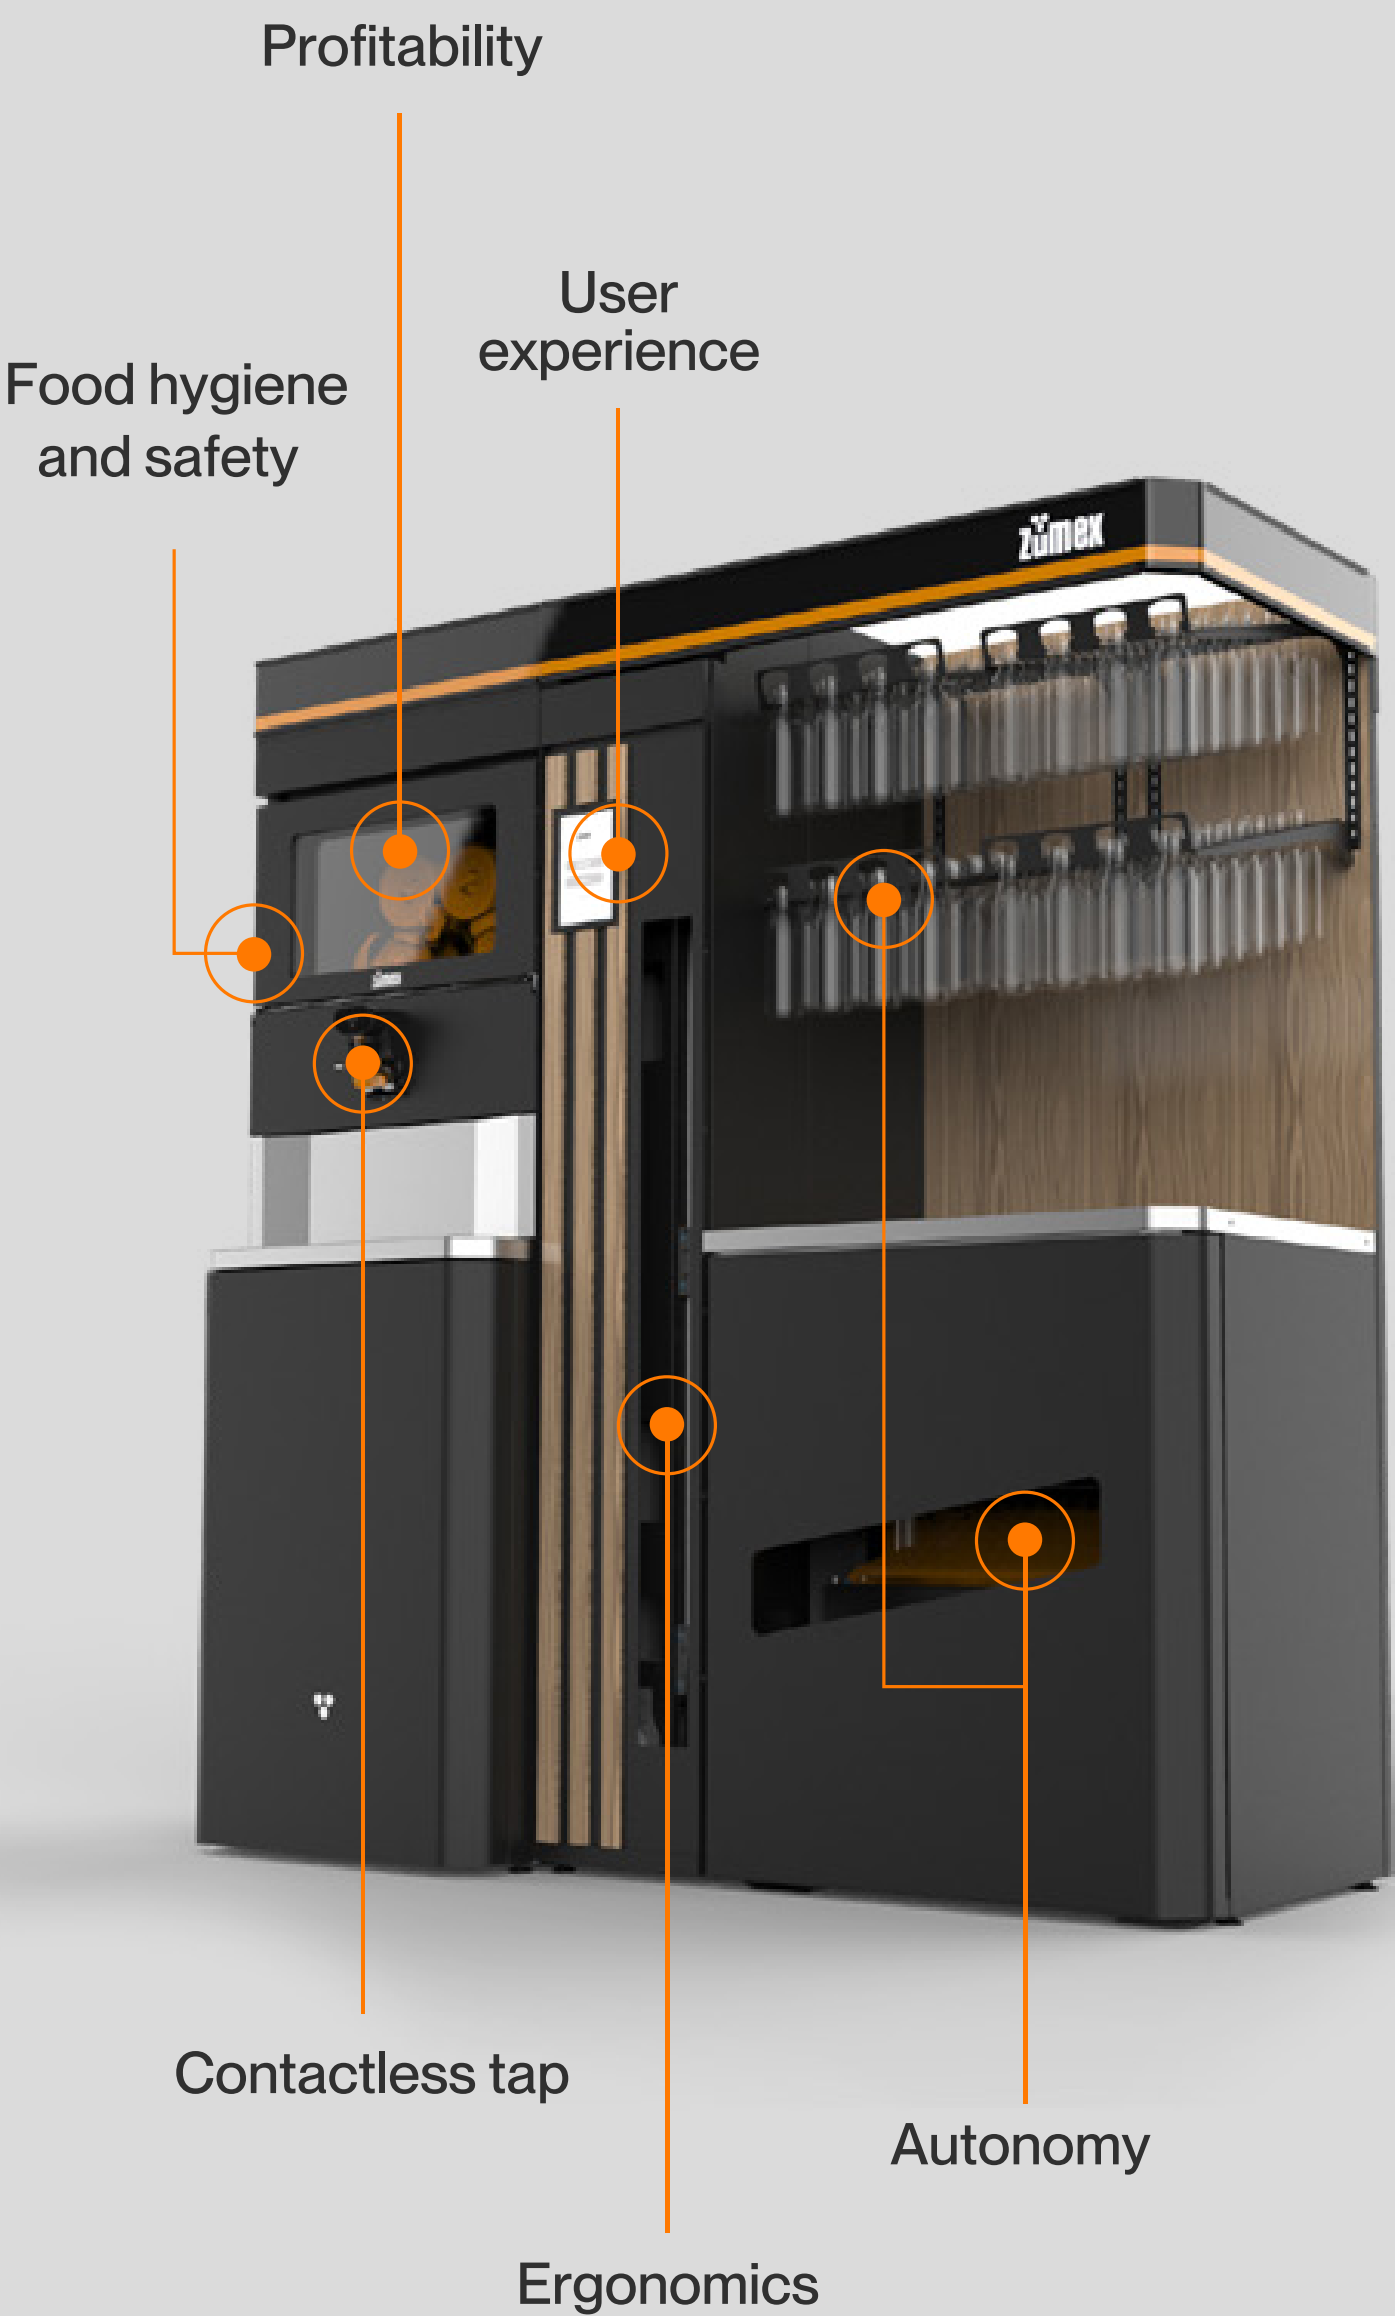

Always to hand

Thanks to its connectivity, you can always be connected to it, wherever you are.

Command and control

You can give it cleaning instructions, receive alerts or incorporate videos to guide the user. You are in control of everything.

Specifications

SPECIFICATIONS		
Size	75.5 in x 23.8 in x 68.8 in (W x D x H)	
Weight	Aprox649 Lbs	
Voltage	220–240 V / 115 V 50–60 Hz	
Power	Squeezing: 249 W 0.338 HP	
	Sanitization: 2000 W 0.338 HP 2.72 HP (50 min)	
	Rinsing: 349 W 0.338 HP	
	Stanby: 27 W 0.037 HP	
Required water hardness	< 12°FH	
Water connection	G3/4 female minimum 12 litres/min at 2,5 bar	
Drain connection	Corrugated drainage pipe Diameter 20 mm	
Noise level	<70dB	
Connectivity	GSM & WIFI	
Load capacity	75 Kg / 165 Lbs	
Squeezing speed	40 fruits/mins	
Waste capacity	80 Lbs of peels, 1 container onwheels, (2 bags x 40 Lbs)	
Fruit size	Kit M 88-125 count/ 65-82 mm	
Tap	Touchless	
	Integrated bottle holder	
	Volume measurement	
Automatic pulp out system	Double worm screw	
Top perfomance squeezing kit	Included	
Bottle rack capacity	4 Trays	
	Capacity according to type of bottle	
	Aprox-90 bottles	
Cleaning	Rinsing Mode (On demmand)Water	
	Deep Cleaning (Daily)	Water +Temperature +Time +Cleaning Agent
	Cleaning Agent Dosification	1,3 Gal. = 1 month aprox
Water consumption	Rinsing3-3.5 Gallons	
	Sanitization7-8 Gallons
